OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 11 May 1976

25X1A 1. [redacted] LAISION Ann Bolton, in the office of Representative Edward Derwinski (R., Ill.), call

She thought this would be a splendid idea and I said we would pick up the report today.

25X1A 2. [redacted] BRIEFING Accompanied the Director and David Blee, A/DDO, to a briefing of the Special Subcommittee on Intelligence, House Armed Services Committee, to provide a status report of the programs covered by Section 662 of the Foreign Assistance Act of 1961. (See Memorandum for the Record.)

25X1A 3. [redacted] LIAISON Following an earlier meeting with John Gallant and Lewis Hunter, of GAO, I had an opportunity to speak briefly with Chairman Lucien Nedzi (D., Mich.) and Frank Slatinshek, Chief Counsel of the Committee, on the disposal of certain Agency property and the problems which will be caused by the delay in filing a final report with the Intelligence Subcommittee. I was not able to conclude this session due to the convening of the Subcommittee, but Slatinshek suggested that I arrange to have Mr. Gallant visit him soon and I am hopeful that this will resolve the matter. In the absence of Mr. Gallant, I called Mr. Hunter to advise him of the above, and he said he would get right on it. [redacted]
